Risk Disclosure Notice

4. No rights to the underlying instrument

- 4.1. CFDs do not provide any right to the underlying instruments, or in the case of CFDs referenced to shares, to voting rights.

5. Only invest money you can afford to lose (Risk Capital)

- 5.1. Do not invest in CFDs with money you cannot afford to lose. An investment in CFDs carries a high degree of risk to the investor and, due to fluctuations in value, the investor may not get back the amount he has invested.

6. Appropriateness

- 6.1. Subject to our obligation to assess the appropriateness of the Trading Platform for your circumstances, any decision whether or not to open an account, and whether or not you understand the risks is yours.
- 6.2. We may also ask you for information about your financial assets and earnings. We do not monitor on your behalf whether the amount of money that you have sent us or your profits and losses are consistent with that information. It is up to you to assess whether your financial resources are adequate and what level of risk you take.

7. Potential Risks

- 7.1. With Plus500AU you cannot lose more than your Trading Account balance.
- 7.2. Before you open a CFD trade with us we require you to lodge money with us as Initial Margin and, in order to keep a Transaction open, you must ensure that the amount in your Trading Account exceeds the Maintenance Margin. The Initial Margin will differ between Instruments and the amounts will be indicated on the Trading Platform. This means that you will be trading using 'leverage' or 'gearing' and this can work for or against you; a small price movement in your favour can result in a high return on the Initial Margin placed for the trade, but a small price movement against you may result in substantial losses.
- 7.3. We will further require you to ensure that the amount in your Trading Account exceeds the Maintenance Margin in order to keep a Transaction open. Therefore, if our price moves against you, you may need to provide us with substantial additional Margin, at short notice, to maintain your open trades. If you do not do this, we will be entitled to close one or more or all of your trades. You will be responsible for any losses incurred.
